2 February 2026

Mr Eslam Ragab Farid Anbar
C/o Singapore Precious Metals Exchange Pte Ltd
32 Changi North Crescent
Le Freeport
Singapore 499643

Dear Sirs,

Re: Physical inspection of bullion

On 2 February 2026, we have conducted an inspection of your bullion which are stored at 32 Changi North Crescent, Le Freeport, Singapore 499643 under the care of Singapore Precious Metals Exchange Pte. Ltd. ("the Company"), please see Appendix A for the inspection/viewing record. We attached herewith a list of the bullion (Appendix B - 16 pages), which we have inspected and found them to be in order. Please go through the listing to ensure that they are all the bullion that you have maintained with the Company. We also carried out verification on the weight, XRF/purity and mint marking on the bullion using equipment provided by the Company and attached herewith the listing (Appendix C - 18 pages) which showed the results of the test.

We carried out the inspection by physical verification of the bullion as well as verifying to the bar serial number. Our scope of work is limited to only physical inspection, verification to the bar serial number and their quantities and does not include any professional opinion on the purity and/or value of the bullion inspected.

Yours faithfully,

Patrick Chan
CPA, Singapore
